320.918 MASTER THESIS COLLOQUIUM

TUE 11:00 – 12:00, SR 15.4B (F4)

ABOUT THE COLLOQUIUM

This colloquium will guide you through various stages along your research work for your master's theses. We will discuss your research ideas, your outlines of your master's theses, as well as draft versions of your theses. In order to structure the colloquium, I expect you to present your research idea in the meeting before Easter break and to have an official supervisor for your thesis by Easter break.

IMPORTANT DATES

- MAR 01** Organizational meeting (incl. assignment of referee duties)
- MAR 15** Presentation of research ideas; discussion by your referees
- APR 12** Presentation of your outlines; discussion by your referees
- JUN 21** Presentation of your draft versions; discussion by your referees

GRADING (based on percentage points)

Presentation of research idea	20%
Presentation of outline	20%
